

ORDINANCE NO. 06-22

AN ORDINANCE ESTABLISHING PORTOFINO VINEYARDS COMMUNITY DEVELOPMENT DISTRICT; PROVIDING A DISTRICT NAME; SETTING FORTH THE AUTHORITY FOR ADOPTING THE ORDINANCE; ESTABLISHING THE EXTERNAL BOUNDARIES OF THE DISTRICT; DESIGNATING THE INITIAL MEMBERS OF THE BOARD OF SUPERVISORS; ESTABLISHING THE GOVERNING DISTRICT CHARTER AS FLORIDA STATUTES CHAPTER 190; PROVIDING FOR NOTICE TO SUBSEQUENT PURCHASERS; PROVIDING FOR CONFLICT, SEVERABILITY AND AN EFFECTIVE DATE.

WHEREAS, Pride Homes at Portofino Vineyards, Ltd. has petitioned the Board of County Commissioners to establish PORTOFINO VINEYARDS COMMUNITY DEVELOPMENT DISTRICT; and

WHEREAS, the Board of County Commissioners, after proper published notice, conducted a local public information-gathering ordinance hearing as required by law and finds as follows:

1. The petition is complete in that it meets the requirements of Section 190.005(1)(a), Florida Statutes; and all statements contained within the petition are true and correct.

2. The costs to the County and government agencies from establishment of the district are nominal. There is no adverse impact on competition or employment from district establishment. The persons affected by establishment are the future landowners, present landowners, Lee County and its taxpayers, and the State of Florida. There is a net economic benefit flowing to these persons from district establishment as the entity to manage and finance the statutory services identified. The impact of district establishment and function on competition and the employment market is marginal and generally positive,

as is the impact on small business. None of the reasonable public or private alternatives, including an assessment of less costly and less intrusive methods and of probable costs and benefits of not adopting the ordinance, are as economically viable as establishing the district. Methodology is set forth in the economic impact statement on file. The statement of estimated regulatory costs of this petition on district establishment is adequate.

3. Establishment of the proposed district, whose charter must be in accordance with the general law as set forth in Sections 190.006 -190.041, Florida Statutes, is not inconsistent with the local Comprehensive Plan of Lee County or the State Comprehensive Plan.

4. The area of land within the proposed district is of sufficient size, is sufficiently compact and is sufficiently contiguous to be developed as one functional interrelated community.

5. The district is the best alternative available for delivering community development services and facilities to the area that will be served by the district.

6. The community development services and facilities of the district will be compatible with the capacity and uses of existing local and regional community development services and facilities.

7. The area that will be served by the district is amenable to separate special district government.

8. The proposed district, once established, may petition the Board of County Commissioners for consent to exercise one or more of the powers granted by charter in Section 190.012(2), Florida Statutes.

9. Upon the effective date of this Ordinance, the proposed Portofino Vineyards Community Development District will be duly and legally authorized to exist and exercise all of its general and special powers as limited by law; and has the right to seek consent from Lee County for the grant of authority to exercise special powers in accordance with F.S. 190.012(2), without question as to the district's continued right, authority and power to exercise its limited powers as established by this ordinance.

10. All notice requirements of law were met and complete notice was timely given.
